THE PALEOWAY

The nation's first all-digital firm of its kind, PaleoWest has developed a forward-thinking approach to projects, employing a fully digital workflow for data collection and management. We call it the PaleoWay. We use state-of-the-art technology and the latest trends in research and historic preservation to ensure maximum efficiency and that our clients' compliance needs are met.

- Eliminates digitization after fieldwork
- Eliminates redundancies in data entry by autofilling (e.g. names, dates, locations)
- Reduces error by requiring appropriate data in crucial fields
- Improves data security through continuous data backups
- Speeds projects through to completion
- Higher quality deliverables
- Saves time and reduces costs
